

Padagis Patents

The products listed on this website, either alone or in combination with other product(s), are protected by one or more of the identified United States patents. Additional patents may be issued and/or pending in the U.S. or elsewhere. The following list of Padagis products may not be all inclusive, and other Padagis products not listed here may be protected by one or more patents.

Patent Number	Product Name
---------------	--------------

9,789,057	Clindesse® (clindamycin phosphate vaginal cream, 2%)
-----------	--
